Statistics - Season - S. Kanara - Re. of the transmission of telegram Collr's proposal regarded.

Not to be filled in in the case of permanent records.

Rf C No. 402-22-A3.

South Kanara Collector's Office
Mangalore, 4th M a r c h 1922

From

M.R.Ry. A. Ramacha Nedungadi, Avl.,B.A.,B.L.
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue and Settlement,
M a d r a s.

A summary of the weekly season report is telegraphed from this District every Monday, as the ---- season report cannot be despatched as at present ---- arranged so as to reach the Board's Office on every - Tuesday morning. On making detailed enquiries, I -- find that the season reports from all the offices --- excep the Taluk Office Coondapoor, and the Deputy -- Tahsildar s office Beltangady, cannot be got at Mangalore on every Sunday morning. The excepted offices being far away, their reports cannot be so received but if they are allowed to send their reports within the week ending Fridays their reports may also be included in the consolidated Report on Sunday and if the Treasury Deputy Collector and the season report clerk attend to this work on Sundays the season report can be despatched by Monday's mail so as to reach the --- Board s office on Tuesday morning and the telegraph charges may be saved.

2. During monsoon months about Rs.8/- are --- spent ~~A/c~~ for telegraphing this season report per -- week and in other months about Rs.6/- per week. -- Savings of about Rs.350/- per year can be affected --- in the contingent charges, if the above proposal is -- approved. Season report is not a very material document

so far as this district is concerned, where there is plenty of rainfall and no fear of famine, and Coondapoor and Belthangady are the least important centres in this district. There will therefore be no danger even if the reports from these places are omitted --- from the weekly season reports and much less if the officers concerned are allowed to close their week on Fridays. Rs.350 is not a small sum to be neglected, and I respectfully solicit the Board's permission to adopt the course I have suggested above.

A Ramamurthy

~~For~~ Collector.

OFFICE NOTE.

SUBJECT. Weekly Season telegram.

From The Collector of S. Kanara

I Register No. 817 of 22.

To Assistant Secretary.

Please see letter from the Collector of South Kanara a[illegible]

The question was — considered in 1904 and disposed of in PR. No. 103, Press. dated 19-3-04. The first ~~objection~~ proposal, viz., relaxing the rule that the weekly Season report should be for the week-ending Saturday would be opposed to PR No 138 & 17.4.1893 ~~still holding good. As regards the second, the Collector does not object. It is~~ for consideration whether the office establishment (The Treasury Dy. Com. & the Secretariat) need be asked to work on Sundays as proposed by the Coll.

As drawn to ~~(a)~~ (q) Personally I think it is a mistake to make a practice of working on holidays but it is a question for Colr to decide for themselves.
